

Wednesday 20 February

Girls U9A Netball v Beachborough

Match Report

Result 3-0

This was the first home match for the Under 9's and the girls were very excited and most determined to play well. In the first half, Ashfold completely dominated play. The passing was strong and accurate and the movement of the players around the court was fast. Many goal scoring chances were created and very close to half time, Luciana converted to give Ashfold the half time lead.

The second half showed an improved performance by Beachborough and they started to get the ball into their D. In response, however, Ashfold defenders raised their game and there were some fine interceptions. Ashfold had a few more chances to score - Georgia Morris showed strength and was unlucky not to score. Luciana scored two more times.

Well done everyone! We look forward to the rest of our home matches.
