Girls U9B Netball v Beachborough

Match Report

Result 5-1

We won the toss and opted to take the first centre pass. The ball passed swiftly to the opposing goal and we made our first attempt to score. Unfortunately, the ball did not go in and it was soon carried down to our goal where the Beachborough team scored their first goal. However, this gave us the motivation we needed and through some brilliant passing down the wing by Lana, Rosie and Phoebe we equalised quickly. At half time the score of 1-1.

After a time talk, we returned to the court ready to throw more precise passes and to catch accurately. The Beachborough centre pass was intercepted well by Ella and meant that we took possession of the ball immediately. This led to another goal, then another and then another ... and then another! Although Beachborough did manage to break through our defence a couple of times they didn't manage to score another goal.

The final score was 5-1 to Ashfold. Well done to all the team for winning their first match this season.
