**MARKING:** Please ensure that ALL items are clearly marked with name tapes. New iron on name tapes are now available from the shop to order and take home with you immediately also available from Able Label). Writing with a biro/felt tip is NOT adequate. Shoes and boots can be marked by sewing a name tape through an eyelet. Please mark Games & PE bags in large letters on the OUTSIDE. Tippex marks Wellington boots very successfully.

**TOWELS:** At the start of their first term in the Junior School, day children should bring two towels to school and boarders three. These towels stay at school during the holidays and only return home at the end of the child's final term. They are washed weekly. As well as being clearly named, towels should have a loop stitched half way along each LONG edge so that they can be hung up without trailing on the ground. Please ensure that these loops are strong.

NB Items marked with a \* are available from the School Uniform Shop  
 o denotes optional items
