

Senior Girls A v The Dragon

23 January 2008

Score: 20-7

With 2 key players out in our defence we were a bit nervous going in to our first match against the Dragon.

1st quarter

Our play was a bit shaky to say the least and our attempts at goal we found hard to convert - score 2-1

2nd quarter

We began to settle down and our set plays were starting to work. All the team looked a lot more confident and our shooting was much better - score 6-1

3rd quarter

The Dragon stepped up a pace and made us work a lot harder to find our space. A good challenge for our shootees and great interceptions from our defence - score 7-4

4th quarter

The team maintained their fitness and moved the ball around from defence to attack and scored another 5 goals to 1.
Final score 20-7.

Well done.
