**SUMMER TERM 2007**

**Girls' Games**

**U9 Rounders**      P5      W4      L1      (2 cancelled weather)

The Under 9's had a 'Winning Season', with some fine wins over Chesham Prep, The Grove and Beachborough. The only match they lost was against the Dragon, who have literally hundreds of girls to choose their team from.

Mrs Wilcox writes .... "this was a successful and promising season. The girls have shown immense enthusiasm for the game and excellent sportsmanship in their conduct and it has been a pleasure to coach them".

Mrs Giliomee writes.... This was a fantastic season. The girls have really matured and grown into great sportswomen. At the start of the season, they were a little unsure of the rules and not very confident when fielding. Over the season, they worked incredibly hard to improve and by the end were a formidable team.

It has been such a pleasure coaching them as they work so hard and have learned to work as a unit. They treat each other with respect and take joy in each others' success. They are determined and never give up - even when they were faced with an insurmountable total of rounders to score.

## Boys' Games

### Cricket

#### U9 Cricket            P5    W 3    D 0    L 2

The U9s have had a wonderful 'Winning Season' this term. Many of their matches went down to the last pair and they showed great determination in all that they did. As a measure of how close each match was, they scored 290 runs overall and had 272 scored against them!

**U9 Cricket Standards** are awarded to:

Ben Woollard  
Harry Thomas

Edward Day

Most Improved Player:        Max Thompson

Player of the Season:        Charlie Williams

### Colts Cricket

#### Colts A                    P 6    W 2    D 2    L 2

Mr Venn writes ... A very 'even' season as the analysis suggests ... Charlie Parker, who Captained the team extremely well, and Bradley Sharp both scored 50s - albeit against weak opposition. There is a great deal of bowling potential in the team, with the most notable performance coming from George Currie - with an amazing six wickets for no runs in a spell of just three overs!

#### Colts B                    P 2    D 1    L 1

This team provided a number of Form III children great match experience and we congratulate Ben Hatton for his captaincy.

**Colts Colours** are awarded to:

James Adams  
Samuel Alexander  
George Currie  
George Rush  
Bradley Sharp

Re-awarded to        Charlie Parker

Most Improved Player:        Bradley Sharp

Player of Season:            Charlie Parker  
and 55 v Bruern Abbey

#### 2<sup>nd</sup> XI            P 2    W 1    D 1    (2 Cancelled weather)

It has been great to have a 2<sup>nd</sup> XI playing matches again, for the first time in 10 years, and all the more impressive was their 'Winning Season'!

Nick Gonnella was perhaps the pick of our team, but the most exciting aspect of the season was just how well they all played together as a team. Another highlight was William Millett's wicket-keeping and 50 against Chesham.

**1<sup>st</sup> XI**                      P 5    D 2    L 3    (1 cancelled weather)

Mr Hignell writes ... Extremes of weather and cricketing prowess were features of the 1<sup>st</sup> XI season. Three of the matches were completed in driving rain and the other two were played in soaring temperatures. Amongst some indifferent batting, Sean Rowley's 42 and Will Fulwood's 58 were highlights, and the pick of the bowlers was spinner Oscar Buckland, with season's figures of 8 wickets for 91 runs. Without outstanding individuals this year, it took the team some time to realize the importance of individual commitment and collective responsibility. It was a mark of progress that in the final match of the season, the team were at last in a position to declare the innings and take the challenge to the opposition, only narrowly failing to take all ten wickets.

**Half Colours** are awarded to:

Oscar Buckland  
Simon Eastham  
Max Birden
